

# FINAL INSPECTION DOCUMENTATION CHECKLIST

## South Carolina Department of Health and Environmental Control

*Completed projects can not be inspected for Final Licensing Inspection without the appropriate documentation listed below completed and furnished in a notebook, at the Final Construction Inspection. Please put the dates of the submitted documentation in the blanks. Several of the items may not apply to your project because this form is for all types of facilities. Contact Health Facilities Construction for Questions (803) 545-4663*
